Spray Powder

Safety data sheet

1. Products and suppliers

Product name: Anti set off powder/ spray powder

Product Numbers: 300, 500, 800

Should be used: let the ink on the paper quickly dry

Supplier: Shanghai chenjie printing material co., LTD

Address: 199 jiangkai road, minhang district, Shanghai

Telephone: 021-61311286

2. ingredients

Chemical properties: powder

Name: water

starch

siloxane

3.Hazardous degree

It can irritate eyes

No skin irritation

4. First aid measures

Entering the esophagus does not cause vomiting

Wash skin contact with water

Immediately rinse the eyelids with water for at least 15 minutes

5. Fire fighting measures

Extinguishing medium this product is not flammable
